

## Impact of Advocacy 2000-2019

The Health Foundation encourages co-funding partners for our grantmaking when appropriate. As a result, the Foundation's \$41 million in grantmaking has earned support totaling \$73 million from partners.

\$41m

\$41 million in total  
THFCM funding

\$73m

\$73 million in total private  
and public funding

Synergy Initiative projects have earned over \$54 million in funding provided by the government due to policy changes won by the grantees. To date, private and public funding have provided \$1.50 for each \$1.00 the Foundation spent on grantmaking.
