

# CLAYWORKS AND ARTWORKS PROJECT

QUABOAG VALLEY COMMUNITY DEVELOPMENT CORPORATION

2018 Activation Fund Project

funded by

The Health Foundation of Central Massachusetts

In an effort to revitalize the downtown area and create new job opportunities and offer healthy activities, the Quaboag Valley Community Development Corporation redeveloped vacant storefronts in downtown Ware. The end result is the ClayWorks Pottery Studio and ArtWorks Gallery operated by Workshop 13.

Funding from the Health Foundation's Activation Fund supported renovations, staffing, marketing, and the purchase of eight pottery wheels.

ClayWorks offers nine different classes for all ages. Memberships and goods produced by local artists and artisans will create a sustainable revenue stream.
